

# **Marcheta Gardner, DTM**

## **District Director Candidate**

D25 Toastmasters,

I am honored and humbled at the opportunity to share and shape experiences that will facilitate the empowerment of healthy clubs, and building new ones, together.

This means ensuring we have the right resources, at the right time, at the right place, that every member and guest is embraced in our clubs, and that the environment is conducive to learning and growing at scale.

I will work tirelessly to lead and collaborate with our various Teams to equip our members, empower our members to build legacies that will benefit our constituents for lifetimes to come.

Empowering Your Legacy... Live on Purpose!
