

District 25 Toastmasters Proposal A: 2022-2023 District Alignment

District 25 assigns clubs to areas based upon the requirements of Protocol 7.0 of the Toastmasters International Governing Documents. These criteria are:

- Geographic proximity to other clubs
- The ability of an area director to effectively provide service
- Club size and strength
- Prospective clubs and expected growth
- The likelihood of eligibility for Distinguished.

Additional considerations by the committee:

- When the District added Division G, we had 160 clubs in 37 areas. We currently have 110 paid clubs with some clubs expected to fold. The reduction of about 50 clubs has caused the need to have 6 Divisions and 24 Areas.
- Identification of non-renewing clubs and assessing the base, paid members, and goals of clubs.
- Virtual, in-person or hybrid meeting mode and times of clubs
- Moving clubs in current Division D to Division C with the remaining clubs moved to Divisions A and E.
- Having at least one strong club in each Area
- Likelihood of clubs meeting the April renewal requirements.

Based on these criteria and considerations, the committee members developed the proposed alignment for 2022–2023.

The District Executive Committee approved the attached proposed alignment on April 2, 2022.
