Welcome to the annual District 25 Awards Banquet. Our theme for the evening is “Celebrate the Night,” and we have a lot to celebrate. What an incredible year! You are all members of a President’s Distinguished District, one of only six in the world.

Our district achieved the highest percentage of education awards and was also ranked number four in the world. For the first time in our sixty year history, every area and division achieved distinguished or better. Over eighty percent of our clubs achieved distinguished or better – one of only four districts worldwide to accomplish this goal. Every record achieved in previous years was shattered across the board. All of this happened because our club and district leaders not only heard but applied the theme, “Remember the Member.” Yes, all of those accomplishments are incredible. But what amazes me is watching our members continue to grow and transform, achieving things that perhaps they never expected to achieve.

David E. McCallister, DTM

Tonight we honor and publicly recognize individuals and clubs who kept their commitment to not only do better, but to be better. What makes this event so special is that behind every award, certificate, ribbon, or plaque presented tonight is an extraordinary story of success and personal growth that will live with us forever.

Special thanks to our Awards Committee, which has done an amazing and professional job organizing this event. Many thanks to our host club, TCU Toastmasters, for hosting the Awards Banquet for the fourth consecutive year.

On behalf of David, Diana, and Peggy, thanks to each and every member that contributed to this success. The journey has been long but very rewarding. I am so proud of each member and club for their commitment to excellence and for keeping that commitment. It is simply amazing what can be accomplished when we all remember the member. There is no greater feeling than the feeling of accomplishment and finishing what you started. I am proud to have led our district to a place we have never been before. I can only imagine where we will go from here. Most importantly, where will you go next on your journey?

In Proud Toastmasters Service,

David E. McCallister, DTM
District 25 Governor, 2009-2010

Greetings! This evening we join together to celebrate the individual, club, and district success. Throughout the district, we worked toward our goals, pushed to reach greater heights, and blazed a path that will forever be forged into our district’s history. As we recognize individual and team successes, let us remember that shoulder to shoulder, we accomplished great things, but it was the individual members that made us strong. Their success was our success and in everything we do, we must always “Remember the Member.”

My sincere appreciation to the wonderful Toastmasters who served on the Awards Banquet Committee. Their dedication and commitment to District 25 remains an inspiration.
