Welcome to **An Evening of Possibilities!** Our celebration this evening recognizes the success of each member and each club that has explored the possibilities that Toastmasters so generously offers. Our district has had amazing success this year. We reached the goals of the newly revised Distinguished District Recognition Program, which demanded a greater percentage of growth in membership than ever before. Because so many of our members and clubs reached their goals, growing to achieve more and to be more, the district met its goals. For this, I thank each of you.

Many of you explored new leadership roles at the club, area, division, and district level. You strengthened your clubs as you grew as leaders and explored new ways to motivate yourself and others. You grew in your communications skills while following the Toastmasters education and leadership program. You may have experienced greater success in your professional or personal life through new-found skills. You celebrated your success in education and leadership at the club level. Now it is time to celebrate together, to recognize the success of members and clubs throughout the district, and to honor those whose leadership at every level made the possibilities a reality.

I have many fond memories of my years of district service, and my year as District Governor was definitely a highlight for me. I would like to thank my team, the officers on the District team, Area and Division Governors, and members of the District Staff who served with me. You made my year as District Governor a happy and productive one as you helped me, our members, and our clubs Explore the Possibilities in District 25.

Tonight is indeed a night to celebrate our success. But it is also a night **for Looking Forward** to the new Toastmasters year, planning ahead for the success in 2013-2014. Those of us who have benefitted from Toastmasters will also want start **Giving Back** to others, just as we have been helped along the way. I challenge each officer, member, and club to continue to Explore the Possibilities of communications and leadership in Toastmasters. I also challenge the district to continue its tradition of excellence, achieving Distinguished status or better for the fifth consecutive year in 2013-2014. Together we can do it!

District Governor

Bonne Stroman, DTM
District 25 Governor, 2012-2013

Good evening! We are just finishing a great year in District 25. Our District Governor Distinguished Toastmaster Bonne Stroman with her "Explore the Possibilities" campaign led the district to becoming a distinguished district for 2012-2013. As we explored the possibilities, the members, clubs, areas, divisions and our district worked very hard to make us successful. Tonight we are here to recognize the achievement of all of our members and clubs for their dedication in making our district successful.

The Awards Banquet does not happen with the actions of one; it is planned, organized and put together by the members of the Awards Banquet Committee. Due to their efforts we have a great evening planned to celebrate the success of our members and district. We have enjoyed a year of fun and great leadership with Bonne Stroman as our District Governor.

The Awards Banquet Committee welcomes you and hopes you have a very enjoyable evening.
